Céad Míle Fáilte

I would very much like to take this opportunity to welcome you to tonight's performance of "All Shook Up". Over the past two months many hours of practice have gone into each element of the performance. Dance routines had to be learned, lines remembered, songs rehearsed, sets designed and stages built.

A School Musical empowers our students to take extra responsibilities and to explore and discover new and often hidden talents. It is not only the students who appear on stage that get the opportunity to excel, students leaders emerge during set construction, back stage management and other aspects of the production process.

I must express my gratitude to all staff that have given way beyond in terms of their time and experiences to ensure that our students are well prepared for each production. Our Coláiste is very much about fostering positive relationships between students and staff and this has been very evident over the last number of weeks.

I would like to thank the Parents Association for their support in helping with this production. This support is essential to use in the Coláiste and I would also like to thank all Parents for your patience and commitment to your son or daughters participation in the musical.

I would like to thank all our local sponsors for again digging deep into their pockets to support this event.

For those of us with teenage children the plot of the show all resonate. This is a feel-good musical with plenty of lively and upbeat songs. So I hope you sing along, tap your feet and enjoy the night.

Tá súil again go mbainfidh sibh taitneamh as an seó.
