“How to Survive First Year in College”

The Parents' Association and Cahir Credit Union would like to invite all Transition, 5th & 6th Year parents and guardians to an [information talk](#) full of valuable insights and practical advice regarding your child's transition to third level, how to prepare for it and the pitfalls to look out for. The talk is being given by Catherine O'Connor MA (Ed), Education Consultant at Trinity College Dublin. Catherine is a regular contributor to regional radio, television and national radio, the Irish Independent, campus.ie, careersnews.ie, careersportal.ie, schooldays.ie on the subject of making the transition to third level, and is author of [Cracking the College Code](#).

All 6th Year students will receive a talk from Catherine earlier in the afternoon, which is geared specifically for students entering third level. The evening talk is specifically geared towards parents/guardians.

This talk will be held in the

Coláiste on Thursday 21st March 2019 @7pm

And is kindly sponsored by [Cahir Credit Union](#)

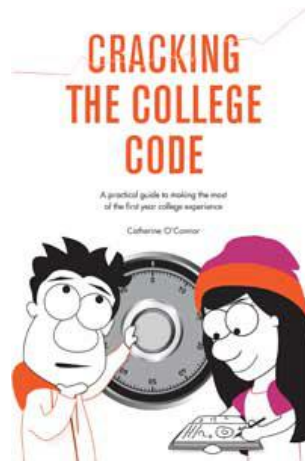

We hope that you will avail of this opportunity and look forward to seeing you there.
