Ríomhphost: **info@colaisteduniascaigh.ie**

Dear parent/guardian,

On behalf of all the staff of the Coláiste I want to thank all parents/guardians for your commitment to your son/daughter's education over the last number of weeks. I have no doubt it was challenging but at this time we are now closer to getting back to our regular daily routines and Bob Dylan was right "the times they are a-changin".

I would like to take this opportunity to inform you of the following:

School Re-Opening:

Online learning for all year groups will resume on Tuesday the 23rd of February. Further information will issue when the school receives a roadmap from the Dept. of Education.

Special Education Classes: (An Cuan)

Our eighteen students who have access to our ASD support classes can return to school on Tuesday the 23rd of February. Planning is taking place this week to facilitate this and further information will be distributed to all concerned. Students will be following their normal school timetable.

JCT Cluster Training:

All school staff are working **Monday the 22nd** in cluster sessions with other schools online as part of the roll out of the new Junior Certificate programme.

5th Year Subject Options and 5th Year QQI Level 4:

There will be an online information session on **Thursday the 25th at 7.30pm** for all 3rd and 4th year students. This will be a very informative session and I encourage everyone to tune in through your son/daughter Team on MS-Office 365.

Transition Year Information Night 2021/22:

There will be an online information session on **Tuesday the 2nd of March at 7.30pm**. The session will take you through what is involved in our TY programme and it will also outline the many benefits of students taking up this option after 3rd year. Meeting set up on Teams.

6th Years and 3rd Years:

The mock exams for both year groups have been postponed until we all are clear on what structure the exams will take.

BeYourBetterSelf:

Below is a link to an initiative started by our Student Council which is running for the next 6 weeks. As the weather gets better and the evening daylight lengthens this may be a fun activity for all the family to do together.

Finally, enjoy the remainder of the school midterm break and I look forward to school resuming next week and the return to school of our students in the coming weeks.

Peter Creedon

Principal
