Dear Student/Parent/Guardian,

It is with regret that I must inform you that following much discussion following advice from Tipperary ETB that we will not be able to invite students to attend school this Wednesday the 30<sup>th</sup> for their Graduation Mass.

It was made very clear to school management that it would not be prudent at this time to hold a large congregation of students on school premises considering the risk associated with the spread of the Delta variant of Covid 19.

I am very disappointed with this as I and my colleagues in school wanted to meet with our 6<sup>th</sup> years and formally finish their time with us in school. I know this decision will cause upset and regret for our students, but I was left with no alternative considering the instructions received from Tipperary ETB and the Department of Education.

In place of the event planned for this Wednesday the school will now record the planned service and we will issue to all students the Yearbook and Graduation Mass Booklet in the coming days.

Yours sincerely,
