Dear Parent/Guardian,

Our **new canteen** has opened and below is a sample of the menus that were on display today. The canteen is located in our school library and will have seating for 60 students. The provider is the School Food Company and they operate in a large number of schools across the country. It will be open during small break and lunch break.

There are plans to introduce a cashless system but for the time being it is cash only. This is a very welcome addition to our school and I sincerely wish the School food Company well in meeting the needs of our students and staff.

House Exams:

I wish to remind you that our House Exams for all Year Groups will take place in 4 weeks' time. There will be no phones allowed in school for these exams. All students should now be committing significant time to study, and I look forward to analysing all results in January.

Yours sincerely,

Peter Creedon
